Important stuff

Dial-up internet

- 1 Individual sessions may be terminated after 20 minutes idle time or 4 hours connection time.
- 2 This offer is only available to full service (local and long distance) customers who continue with AAPT for both full service phone and dial-up internet services. If you cease to be a full service customer, standard monthly internet access fees will apply. You will need to receive your bill online or accept a \$1.50 administration fee and pay your bill by direct debit or accept a \$2.00 administration fee. Minimum monthly cost for residential customers (excluding call charges) is the monthly dial-up access fee + Homechat™ subscription amount + residential line rental. Minimum monthly cost for business customers (excluding call charges) is the monthly dial-up access fee + business line rental. AAPT's Standard Form of Agreement applies - for a copy or full details of this offer go to aapt.com.au or call 13 88 86.
