Important stuff

General AAPT's Standard Form of Agreement applies. Customers must be credit approved. AAPT's standard rates apply and include GST. You must pay your bill by Direct Debit or accept a \$2 administration fee. **Who gets it?** Offer is available to AAPT full service (local and long distance) customers from their home phone. Offer is not available on ISDN or digital data services. **How it works** Your line rental and the Homechat[®] amount are billed monthly in advance and call usage charges are billed monthly in arrears. If you are a new AAPT full service customer, your Homechat[®] amount will be charged from the date your local calls and line rental are transferred to AAPT. Your minimum monthly payment is your Homechat[®] amount plus line rental. Residential line rental is \$29.95 per month (17.5c per local call) and business line rental is \$40.95 per month (16c per local call). Offer excludes special service calls (such as operator-assisted services and information calls), teletext calls, data calls and all fixed monthly charges. Unused credit is forfeited at the end of each month. Offer is not available with any other home phone offer, plan or discounts.
